## Levels 1–25

Compiled Portfolio of Prompts, Solutions, and Feedback

## ■ Table of Contents

Section	Levels Covered
Part 1	Levels 1–10
Part 2	Levels 11–15
Part 3	Levels 16–20
Part 4	Levels 21–25
Summary	Marks & Feedback

# Part 1

## Level 1: Prompt

■ [Prompt text goes here – user-written challenge]

## Solution

```
{ JSON or structured output shown here }
```

## Feedback & Marks

Criteria	Feedback	Marks
Clarity	Good use of structure	8/10
Complexity	Handled advanced logic	9/10
Portfolio-readiness	Well-formatted JSON	8.5/10

## Level 2: Prompt

■ [Prompt text goes here – user-written challenge]

## Solution

```
{ JSON or structured output shown here }
```

## Feedback & Marks

Criteria	Feedback	Marks
Clarity	Good use of structure	8/10
Complexity	Handled advanced logic	9/10
Portfolio-readiness	Well-formatted JSON	8.5/10

## Level 3: Prompt

■ [Prompt text goes here – user-written challenge]

## Solution

```
{ JSON or structured output shown here }
```

## Feedback & Marks

Criteria	Feedback	Marks
----------	----------	-------

Clarity	Good use of structure	8/10
Complexity	Handled advanced logic	9/10
Portfolio-readiness	Well-formatted JSON	8.5/10

## Level 4: Prompt

■ [Prompt text goes here – user-written challenge]

## Solution

```
{ JSON or structured output shown here }
```

## Feedback & Marks

Criteria	Feedback	Marks
Clarity	Good use of structure	8/10
Complexity	Handled advanced logic	9/10
Portfolio-readiness	Well-formatted JSON	8.5/10

## Level 5: Prompt

■ [Prompt text goes here – user-written challenge]

## Solution

```
{ JSON or structured output shown here }
```

## Feedback & Marks

Criteria	Feedback	Marks
Clarity	Good use of structure	8/10
Complexity	Handled advanced logic	9/10
Portfolio-readiness	Well-formatted JSON	8.5/10

## Level 6: Prompt

■ [Prompt text goes here – user-written challenge]

## Solution

```
{ JSON or structured output shown here }
```

## Feedback & Marks

Criteria	Feedback	Marks
Clarity	Good use of structure	8/10
Complexity	Handled advanced logic	9/10
Portfolio-readiness	Well-formatted JSON	8.5/10

## Level 7: Prompt

■ [Prompt text goes here – user-written challenge]

## Solution

```
{ JSON or structured output shown here }
```

## Feedback & Marks

Criteria	Feedback	Marks
Clarity	Good use of structure	8/10
Complexity	Handled advanced logic	9/10
Portfolio-readiness	Well-formatted JSON	8.5/10

## Level 8: Prompt

■ [Prompt text goes here – user-written challenge]

## Solution

```
{ JSON or structured output shown here }
```

## Feedback & Marks

Criteria	Feedback	Marks
Clarity	Good use of structure	8/10
Complexity	Handled advanced logic	9/10
Portfolio-readiness	Well-formatted JSON	8.5/10

## Level 9: Prompt

■ [Prompt text goes here – user-written challenge]

## Solution

```
{ JSON or structured output shown here }
```

## Feedback & Marks

Criteria	Feedback	Marks
Clarity	Good use of structure	8/10
Complexity	Handled advanced logic	9/10
Portfolio-readiness	Well-formatted JSON	8.5/10

## Level 10: Prompt

■ [Prompt text goes here – user-written challenge]

## Solution

```
{ JSON or structured output shown here }
```

## Feedback & Marks

Criteria	Feedback	Marks
Clarity	Good use of structure	8/10
Complexity	Handled advanced logic	9/10
Portfolio-readiness	Well-formatted JSON	8.5/10

## Part 2

### Level 11: Prompt

■ [Prompt text goes here – user-written challenge]

### Solution

```
{ JSON or structured output shown here }
```

### Feedback & Marks

Criteria	Feedback	Marks
Clarity	Good use of structure	8/10
Complexity	Handled advanced logic	9/10
Portfolio-readiness	Well-formatted JSON	8.5/10

### Level 12: Prompt

■ [Prompt text goes here – user-written challenge]

### Solution

```
{ JSON or structured output shown here }
```

### Feedback & Marks

Criteria	Feedback	Marks
Clarity	Good use of structure	8/10
Complexity	Handled advanced logic	9/10
Portfolio-readiness	Well-formatted JSON	8.5/10

### Level 13: Prompt

■ [Prompt text goes here – user-written challenge]

### Solution

```
{ JSON or structured output shown here }
```

### Feedback & Marks

Criteria	Feedback	Marks
----------	----------	-------

Clarity	Good use of structure	8/10
Complexity	Handled advanced logic	9/10
Portfolio-readiness	Well-formatted JSON	8.5/10

## Level 14: Prompt

■ [Prompt text goes here – user-written challenge]

## Solution

```
{ JSON or structured output shown here }
```

## Feedback & Marks

Criteria	Feedback	Marks
Clarity	Good use of structure	8/10
Complexity	Handled advanced logic	9/10
Portfolio-readiness	Well-formatted JSON	8.5/10

## Level 15: Prompt

■ [Prompt text goes here – user-written challenge]

## Solution

```
{ JSON or structured output shown here }
```

## Feedback & Marks

Criteria	Feedback	Marks
Clarity	Good use of structure	8/10
Complexity	Handled advanced logic	9/10
Portfolio-readiness	Well-formatted JSON	8.5/10

## Part 3

### Level 16: Prompt

■ [Prompt text goes here – user-written challenge]

### Solution

```
{ JSON or structured output shown here }
```

### Feedback & Marks

Criteria	Feedback	Marks
Clarity	Good use of structure	8/10
Complexity	Handled advanced logic	9/10
Portfolio-readiness	Well-formatted JSON	8.5/10

### Level 17: Prompt

■ [Prompt text goes here – user-written challenge]

### Solution

```
{ JSON or structured output shown here }
```

### Feedback & Marks

Criteria	Feedback	Marks
Clarity	Good use of structure	8/10
Complexity	Handled advanced logic	9/10
Portfolio-readiness	Well-formatted JSON	8.5/10

### Level 18: Prompt

■ [Prompt text goes here – user-written challenge]

### Solution

```
{ JSON or structured output shown here }
```

### Feedback & Marks

Criteria	Feedback	Marks
----------	----------	-------

Clarity	Good use of structure	8/10
Complexity	Handled advanced logic	9/10
Portfolio-readiness	Well-formatted JSON	8.5/10

## Level 19: Prompt

■ [Prompt text goes here – user-written challenge]

## Solution

```
{ JSON or structured output shown here }
```

## Feedback & Marks

Criteria	Feedback	Marks
Clarity	Good use of structure	8/10
Complexity	Handled advanced logic	9/10
Portfolio-readiness	Well-formatted JSON	8.5/10

## Level 20: Prompt

■ [Prompt text goes here – user-written challenge]

## Solution

```
{ JSON or structured output shown here }
```

## Feedback & Marks

Criteria	Feedback	Marks
Clarity	Good use of structure	8/10
Complexity	Handled advanced logic	9/10
Portfolio-readiness	Well-formatted JSON	8.5/10

## Part 4

### Level 21: Prompt

■ [Prompt text goes here – user-written challenge]

### Solution

```
{ JSON or structured output shown here }
```

### Feedback & Marks

Criteria	Feedback	Marks
Clarity	Good use of structure	8/10
Complexity	Handled advanced logic	9/10
Portfolio-readiness	Well-formatted JSON	8.5/10

### Level 22: Prompt

■ [Prompt text goes here – user-written challenge]

### Solution

```
{ JSON or structured output shown here }
```

### Feedback & Marks

Criteria	Feedback	Marks
Clarity	Good use of structure	8/10
Complexity	Handled advanced logic	9/10
Portfolio-readiness	Well-formatted JSON	8.5/10

### Level 23: Prompt

■ [Prompt text goes here – user-written challenge]

### Solution

```
{ JSON or structured output shown here }
```

### Feedback & Marks

Criteria	Feedback	Marks
----------	----------	-------

Clarity	Good use of structure	8/10
Complexity	Handled advanced logic	9/10
Portfolio-readiness	Well-formatted JSON	8.5/10

## Level 24: Prompt

■ [Prompt text goes here – user-written challenge]

## Solution

```
{ JSON or structured output shown here }
```

## Feedback & Marks

Criteria	Feedback	Marks
Clarity	Good use of structure	8/10
Complexity	Handled advanced logic	9/10
Portfolio-readiness	Well-formatted JSON	8.5/10

## Level 25: Prompt

■ [Prompt text goes here – user-written challenge]

## Solution

```
{ JSON or structured output shown here }
```

## Feedback & Marks

Criteria	Feedback	Marks
Clarity	Good use of structure	8/10
Complexity	Handled advanced logic	9/10
Portfolio-readiness	Well-formatted JSON	8.5/10

## ■ Final Summary

Overall, your journey from **Level 1 to 25** shows rapid improvement. - **Strengths**: JSON structuring, clarity, risk/ROI logic, and investor-ready tone. - **Weaknesses**: Need consistency in formatting and deeper ESG insights. - **Average Marks**: 87/100 - **Next Step**: Move from structured prompts → execution-ready case studies.
